

## **LIBRARY VOLUNTEERS NEEDED**

The SMS Library is opening soon.... We need volunteers during the students' assigned library times (see schedule below). If you can't commit to a specific time, you could help by volunteering as a substitute or book re-shelver. We could also use assistance in cleaning up the library so it's ready to open in the next few weeks. A great opportunity to do something rewarding AND earn 8 points/hour!!!

We'll have a brief training session for all volunteers the week of October 1st (date/time TBA).

Please feel free to call us with any questions!

Many thanks,
