

Purchase grocery cards

Purchase grocery cards for Shop Rite and Stop and Shop and a percentage of your purchase is credited towards the school (and 5% is also credited to parents' fundraising obligations).

Based upon an average family: An average of \$400 per month in groceries equals \$4000 per year, which equals \$200 per year in profit for St. Mary. Ten families using the program equal \$2,000 in profit. One hundred families bring the total to \$20,000.

We all need to eat! It just makes 'cents' to shop, eat and raise funds for our school at the same time. Certificate orders are filled daily through the School Office, and are available most Sundays at St. Mary Church.

Register your “Stop and Shop Savings Card” and “Shop Rite Plus Card”

You can now register your Stop and Shop Card and/or Shop Rite Card in association with Saint Mary School. SMS will earn a percentage of the dollars spent at the stores. It is easy to do and you can even have your family and friends register their cards in support of our school!

To Register a Stop and Shop Card:

Simply click below and register your 13 digit Stop and Shop Number (number includes the numbers before and after the bar code), then select Saint Mary School. If you have any trouble registering your card, please email Mani Zabski at Amani@trmacs.com

To Register a Shop Rite Card:

Go to www.shoprite.com/educate and register your twelve digit number to St Mary School (code # 17898).

If you have any trouble registering your card or would like to do it on paper, please email Meg Hayes at mehayes@optonline.net.

You must register your cards each year. Together, we can earn great tools for our school!!!
